BRING THIS CATALOGUE TO THE SALE WITH YOU

Announcement

We want to extend to you, again, an invitation to attend our annual fall sale.

The consignment this fall is a select lot of cattle. In the lot are some young heifers and bulls that have given good account of themselves in some of the best County fairs as well as the Ohio State fair.

The breeders have gone a little deeper into their herds

There are many profitable advantages in producing Shorthorns. Nearly every farm in the corn belt affords land that can be utilized more efficiently through the growth of pasture and legumes, which require less labor when converted into cash through the medium of a cow herd. Farms which have been operated under this system maintain greater production of other crops because of the fertility which has been returned to the soil. Breeders who are capable of developing outstanding animals will find a competitive demand that will allow them to realize premium prices for breeding stock.

There are 18 bulls in all, affording a real opportunity for farmers and commercial cattle producers to make satisfactory purchases.

The breeders in this district have been building their herds up and now they are to the place where they can begin to offer their yearly production in these district sales.

We invite you, again, to be our guest at Columbus Grove, Ohio, October 16th.

Orval Benroth, Manager

Strowan Knight

Strowan Knight was well up at the top of his class at the Ohio State fair and Junior Champion at some of the County fairs. He has the head of a real breeding bull, and is sired by Milky Way White Knight, whose first crop of calves stamp him as one of the great breeding bulls of his time. His mother is a dark red, low set daughter of Browndale Captain. Don't overlook this bull.
